

## NEWS DIGEST OF THE HIGH COMMISSIONER FOR HUMAN RIGHTS IN THE RUSSIAN FEDERATION

APRIL 6, 2022

In the Ulyanovsk Region, a representative of the High Commissioner for Human Rights in the Russian Federation jointly with the Commissioner for Human Rights in the Ulyanovsk Region visited temporary accommodation centers for evacuated citizens of the DNR, LNR and Ukraine in Dimitrovgrad and Zavolzhsky District of Ulyanovsk.

In Dimitrovgrad, two temporary accommodation centers were set up for residents of Mariupol. People are provided assistance by representatives of social services, psychologists, employees of recruitment centers, representatives of the Department of Migration Affairs of the Ministry of Internal Affairs of Russia in the Ulyanovsk region, the pension fund, all of whom help in obtaining the necessary documents in the shortest possible time. Individual treatment of each resident is organized, and information boards are also set up. Social passports were prepared for each resident to establish the necessary needs and address provision of clothing, medicines and basic necessities.

A working meeting was held with the Minister of Family and Demographic Policy and Social Welfare of the Ulyanovsk region. Issues of social security of LNR and DNR refugees, assistance in placing children in schools and kindergartens, and assistance to families with children were discussed.
